## Financial Policy and Patient Responsibility

We would like to thank you for choosing Lake Norman Pulmonary & Sleep for your healthcare needs. Our office is committed to providing you with the best possible medical care.

The following information outlines your financial responsibilities related to payment for professional services.

- We participate with Medicaid, Medicare, and most major health plans. Our billing office will submit claims for any services rendered to our patients and we will assist our patients in any reasonable way to help get the claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance, we will file that as well once your primary insurance has processed the claim. Please remember that insurance is a contract between the patient and the insurance company and ultimately the patient is responsible for payment in full. If your insurance company does not pay the practice within a reasonable period of time, you will be billed. If we later receive payment from your insurer, we will refund any overpayment to you.
- Not all insurance plans cover all services. In the event your insurance plan determines a service to be "not covered", you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.
- Patients are required to bring their insurance card and photo identification for every visit.
- Copayments/Coinsurance/Deductible: If your insurance carrier requires a copayment or if the services are subject to a coinsurance or deductible, this must be paid prior to being seen by a provider or prior to any tests. For your convenience, we accept cash, checks, or major credit cards. If you do not have your copayment/coinsurance/deductible at the time of your scheduled visit, your appointment may be rescheduled.
- If your insurance changes, please provide us with the information as soon as possible so we can make the appropriate changes to help you receive the maximum benefits.
- For patients that do not have group or individual medical insurance, payment for all professional services is expected at the time of your visit. Please note, we do offer discounted fees for patients without health insurance.
- **COLLECTION FEES:** I understand that in the event my account is placed in collection status, any additional fees incurred due to this, will be added to my outstanding balance. This includes but is not limited to late fees, collection agency fees, court costs, interest and fines. I understand that these additional fees will be my personal responsibility to pay in full.
- Because all insurance policies are different, our staff members do not know what your coverage is for certain procedures or tests. Therefore, we cannot tell you with certainty what your financial responsibility will be for any ordered services. If you have a question about what your coverage is for certain procedures, you will need to contact your insurance company directly to obtain that information.
- Some health insurance plans require that a referral be obtained from your primary care provider prior to being seen by one of our providers. This is the patient's responsibility. If payment is denied by your insurance carrier for not obtaining a referral, patient is responsible for payment of services.

**Medical Reconciliation:** I authorize Lake Norman Pulmonary & Critical Care Specialists/Lake Norman Sleep Center to access any medical data and medication.

**ASSIGNMENT OF INSURANCE BENEFITS:** I hereby assign, transfer, and set over directly to **Lake Norman Pulmonary & Sleep** sufficient monies and/or benefits for basic and major medical to which I may be entitled for professional and medical care, to cover the costs of the care and treatment rendered to myself or my dependent in said clinic. I authorize LNPS to contact my insurance company or health plan administrator and obtain all pertinent financial information concerning coverage and payments under my policy. I direct the insurance company or health plan administrator to release such information to LNPS. I authorize LNPS to release all medical information requested by my health insurance carrier, Medicare, other physicians or providers, and any other third-party payers.

**RELEASE OF INFORMATION:** I hereby authorize the and direct **LNPS** to release to governmental agencies, insurance carriers, or others who are financially liable for such professional and medical care, all information needed to substantiate claim and payment.
